

SUN LIFE OF CANADA HEAD OFFICE

Project:	Head office for Sun Life of Canada
Location:	Basingstoke, Hampshire
Architect:	Elsom, Pack, Roberts
Main contractor:	John Laing

Glass-reinforced gypsum

The work carried out at the Head Office of Sun Life of Canada was very varied but essentially covered all the ceiling, coving, and lighting troughs to the main areas.

Included were the ceiling in the main staff dining room, the executive dining rooms, the entire boardroom suite and the bridge links which also contain the lift lobbies.

The main conference room and the training room were also dealt with in this contract.

PRODUCT RANGE

Openwood manufactures moulded products in glass-fibre reinforced gypsum, traditional fibrous plaster, and glass-reinforced plastics; further details are available on request.
