

ABBOTTS HOUSE

Project:	Abbotts House
Location:	Reading, Berkshire
Architect:	T P Bennett
Main contractor:	Sir Robert McAlpine

Glass-reinforced plastics

The illustration shows a close-up of many planters fabricated in GRP for the reception areas of this phased development contract.

The contract was to provide planters of several different shapes for the four quite different reception areas.

PRODUCT RANGE

Openwood manufactures moulded products in glass-fibre reinforced gypsum, traditional fibrous plaster, and glass-reinforced plastics; further details are available on request.

Openwood Licensed manufacturers of Acell products
